22. BPCR Silhouette Shoot August 11, 2024 at 12:00PM

## Match Information:

Match Fee: \$10

The match will consist of a 22.Black Powder Cartridge Rifle shoot which is a scaled down version of NRA Black Powder Cartridge Rifle Silhouette. It will consist of shooting various metallic animal targets at various ranges.

22. Black Powder Cartridge Rifle Silhouette Match approved rifles consist of any manufactured or replica single shoot rifle made for black powder cartridges prior to 1896. They are also required to have a exposed hammer. Sights are required to be typical to the era, including front and rear sights. Period era scopes are permitted and must have external adjustment with no recoil spring.

*A modern class, consisting of bolt, and pump actions rifles is allowed. However, shooters in this class are required to load and fire a single round at a time. Modern scopes are permitted.*

Shooters will shoot a course of fire consisting of 40 shots for score. Each shooter will shoot 10 shots at each metal silhouette animal. Chickens are shot off-hand while pigs, turkeys and rams can be shot in either the offhand position as well as sitting or prone positions from crossed sticks. NRA BPCR Silhouette legal cross ticks are required.

## Target Range

Chickens- 50 yards

Pigs – 100 yards

Turkeys – 150 yards

Rams – 200 yards

Food and drinks will be available for purchase.
