

East Monongahela Rifle Range: Exciting Improvements!

Enhancing Safety, Accessibility, and Shooting Experience

Range Improvements at East Monongahela Rifle Range

Your Shooting Destination Just Got Better!

Our historic rifle range has long been a gathering place for sportsmen, hunters, marksmen, and families looking to enjoy responsible shooting sports. Now, after months of careful planning and hard work, we are thrilled to announce a host of improvements designed to elevate your experience at the East Monongahela Rifle Range!

Funds for this project were made available from the NRA Range Grant Program. We are an NRA Gold Circle Club (100% NRA Membership) that gives us access to these funds. Additional costs were covered by EMSC (event entries and capital reserves)

What's New?

- **Upgraded Shooting Area:** A full length 6 foot concrete pad was installed at the front of the shooting bench area. This will allow this space to be used for PRS obstacles and future expansion of the roof for better cover/shade.
- **Expanded range area:** A second full length 6 foot concrete pad was installed behind the current range – making the entire hard surface area a full 18 feet wide. This will allow for safer movement during matches and gear storage.
- **Accessible Pathways:** The range now boasts accessible pathways to and from the benches, making it easier than ever for everyone—including those with mobility challenges—to access every area of the facility.

Upcoming Events & Opportunities

- **Women On Target** (Pre-registration Required at www.emsportsmen.com): Sept. 6

- Grand Re-Opening: Long Gong (.22 rifle – 300 yards) – Sept. 13 & NRA Silhouette Match – Sept. 20. Sportsmen’s Challenge – Sept. 27

How You Can Help

- Volunteer: We welcome volunteers to help maintain the range, assist during events, and contribute to our ongoing stewardship efforts.
- Feedback: Your suggestions and feedback are invaluable. Please let us know how we can continue making your experience exceptional.
- Respect Our Rules: Please observe all posted safety guidelines and help us maintain an environment that is safe, clean, and welcoming to all.

Visit Us!

- Location: East Monongahela Rifle Range – 5717 Ella Hollow Road - Elizabeth, PA
- Hours: Open daily from sunrise to sunset for members
- Contact: For more information, visit our website (www.emsportsmen.com) or email to information@emsportsmen.com

Together, we’re making East Monongahela Rifle Range the region’s premier destination for safe, enjoyable, and responsible shooting sports. Come see what’s new—bring your friends, family, and fellow enthusiasts!

Thank you for being part of our shooting community and our club. Your support makes these improvements possible!
